MRAC—The Milwaukee Radio Amateurs' Club was formed in January 1917 and has been in continuous operation since, making MRAC the oldest amateur radio club in Wisconsin, and surrounding states. There are only a handful of older clubs in the country. MRAC became an affiliate of the American Radio Relay League (ARRL) in December 1919, part of the first group of individual club affiliations. For more on the club see the history and videos elsewhere at the Field Day site.
